

# Reference List for Executed Projects

row	year	description	end user
1	2020	Bending and replacement of the tubes of Boilers 1,2&3 of combined cycle of Yazd Power plant	Yazd Power Generation Co
2	2019	Supply, installation and commissioning of the second steam Air heater of Tous Power Plant	Ofogh Tamin Energy Tous Co
3	2019	Supplying and manufacturing of the fitting of water tube conduits of Zarand power plant cooling tower	Kerman Power Generation Co
4	2019	Supplying of Zargan Super heater Tubes	Saba Power Plant Operation and Maintenance Company
5	2019	Supplying of stage 1&2 of Super Heater Tubes for the combined cycle of steam power plant	Yazd Power Generation Co
6	2020	Manufacturing of HP Heater	Sahand Bonab Power
7	2019	Supply and manufacturing of A2 and A3 LP heaters	Loshan Power Generation Co
8	2019	Manufacturing of Coil Steam of Air Heater for Unit No.3	Isfahan Power Generation Co
9	2019	Midterm visit of Steam Unit 1 and combined cycle boilers	Ayandeh Negar Mehr Co
10	2019	Overhaul of Boiler Unit 4	Montazer Qaem Power Generation Management Co.
11	2019	Overhaul and refurbishment of Rotor and impeller GRF	Sahand Power Plant
12	2019	supply of one stage Nozzle for Gas Turbine GEF5	Yazd Power plant
13	2018	supply of stainless steel pipe for boiler	Kerman Power Generation Co.
14	2018	Super Heater pipe bending	Montazer Qaem Power Generation Management Co.
15	2018	overhaul of economizer header	Montazer Qaem Power Generation Management Co.
16	2018	boiler overhaul ( unit 1 steam turbine )	Bisotoon Power Generation Management Co.
17	2017	overhaul of hot gas path belongs to GEF5	Iran National Copper Industry Co.
18	2017	overhaul of boiler heater feed water harps of boiler No. 2	West Azarbayjan Power Generation Co.
19	2017	overhaul of boiler tubes and Economizer header ( Unit 1 GE )	Montazer Qaem Power Generation Management Co.
20	2016	replacing of boiler convection tubes	Amir Kabir Sugerance cultivation and industry
21	2016	overhaul of inner and outer chimney isolation ( unit 1 of steam turbine)	Shahid Rajae Power Generation Management Co.
22	2016	manufacture of soot blower tubes	Sistan and Baloochestan regional electricity company
23	2016	water wall and super heater pipe replacement , water wall and spray header replacement	Zarand Power Generation Management Co.

## Reference List for Executed Projects

24	2016	inspection and balance of turbine rotor ( Zarand Unit 2 )	Zarand Power Generation Management Co.
25	2016	G12 generator overhaul ( Yazd Combined Power Plant )	Yazd regional electricity company
26	2016	turbo set overhaul ( unit 2 )	Zarand Power Generation Management Co.
27	2016	overhaul of BBD ( unit 1 )	Shahid Mofateh Power Generation Co.
28	2016	overhaul of Re-tube of high pressure heater ( No.5)	Shahid Rajaei Power Generation Management Co.
29	2016	reheat and super heat tubes replacement ( unit 4 GE )	Montazer Qaem Power Generation Management Co.
30	2016	supply of one set first stage nozzle for F9 and its accessories	Abadan Power Generation Co.
31	2016	supply of blades and turbines for V94.2 shoubad	West Azarbayjan Power Generation Co.
32	2016	supply of flexible coupling ( between turbine and gearbox )	Azarbayjan Power Generation Co.
33	2016	overhaul of boiler and turbine refractory insulation	East Azarbayjan Power Generation Co.
34	2016	supply of spare parts for Fars Combined Cycle power plant ( GEF9)	Tejarate Pars Power Generation Co.
35	2016	Supply of spare parts for GEF5 and GEF6	Kish Water and Power Co.
36	2016	re-tubing and designing of a high pressure heater ( unit 1 , Steam )	Neka Power Generation Management Co.
37	2016	V94.2 overhaul ( Unit 3 )	West Azarbayjan Power Generation Co.
38	2016	V93.1 turbine , compressor and generator overhaul	Loshan Power Generation Management Co.
39	2016	supply of one set first stage nozzle for باندل and its accessories	Neka Power Generation Management Co.
40	2015	supply of first stage nozzle for GEF5	Saba Power Plant Operation and Maintenance Company
41	2015	bending and replacing of boiler tubes for Zarand plant	Kerman Regional Electricity Co.
42	2015	supply of 2 high pressure heaters	Besat Power Generation Management Co.
43	2015	supply of fuel nozzle (DNL)	Innovative Component Solutions Group
44	2015	supply of boiler tubes	East Azarbayjan Power Generation Co.
45	2015	supply of V94.2 spare parts ( 88 items ) for Damavand Power plant	Zarand Power Generation Management Co.
46	2015	supply of second stage nozzles ( 5 sets) for F5 and related PIN	Sistan and Baloochestan regional electricity company
47	2015	supply of one set first stage nozzle for دوم and its accessories	Sistan and Baloochestan regional electricity company
48	2014	inner and outer isolation overhaul ( 2500 square meter )	Shahid Rajaei Power Generation Management Co.

## Reference List for Executed Projects

49	2014	V94.2 blades and nozzles for Kerman Combined Cycle power plant	Kerman Power Generation Co.
50	2014	supply of high pressure heater ( No.5 and 6 ) tubes belong to unit 1 ( Zargan Power Plant )	Saba Power Plant Operation and Maintenance Company
51	2014	Supply of cover plate for MS502D (Pars Petrochemical Co.)	Innovative Component Solutions Group
52	2014	G12 generator overhaul ( Yazd Combined Power Plant )	Yazd regional electricity company
53	2013	replacement of tube sheet and condenser tubes belong to Unit 1	Zarand Power Generation Management Co.
54	2013	overhaul of inner and outer chimney isolation ( unit 3 of steam turbine)	Shahid Rajae Power Generation Management Co.
55	2013	a set of liner ( for GEF9 )	Mobin Petrochemical Co.
56	2013	boiler overhaul ( unit 2 )	Besat Power Generation Management Co.
57	2013	supply of 15 capital parts of GEF9	Mobin Petrochemical Co.
58	2013	supply of 14 capital parts of GEF9	Mobin Petrochemical Co.
59	2013	supply of 11 capital parts of GEF9	Mobin Petrochemical Co.
60	2013	supply of spare parts for unit 6	Ahwaz Power Generation Management Co. ( Ramin )
61	2013	supply of cartridge Unit Pump	Zarand Power Generation Management Co.
62	2013	turbine and generator overhaul (15 MW )	Iran Wood and Paper Industries Co. ( Chouka )
63	2013	supply of rotor ( Nouvo Pignone , HP+LP, MS5002D) for Pars Petrochemical Co.	Innovative Component Solutions Group
64	2013	supply of second stage nozzles ( گازی sets) for گازی and related PIN	Innovative Component Solutions Group
65	2012	Supply of 4000 pcs. Condenser pipes	Kerman Regional Electricity Co.
66	2012	overhaul of gas turbine ( F6 )	Naserieh Power Plant
67	2012	Supply of 4000 pcs. Condenser pipes	Tarasht Power Plant
68	2012	supply of spare parts for GEF9	Mobin Petrochemical Co.
69	2012	supply of spare parts for GEF5	Sistan and Baloochestan regional electricity company
70	2012	supply and manufacture of 60 super heater bundles ( unit 1 )	Besat Power Generation Management Co.
71	2012	supply of spare parts for GEF9 ( 78 items )	Mobin Petrochemical Co.
72	2011	Boiler overhaul and reconstruction ( from A-Z )	Zarand Power Generation Management Co.
73	2011	manufacturing of turbine oil cooler and extra tube bundle for cooler	Zarand Power Generation Management Co.
74	2011	lining of chimney cylinder inner wall ( unit 1 )	Shahid Rajae Power Generation Management Co.
75	2011	G11 Generator overhaul	Yazd regional electricity company
76	2011	supply of seamless stainless steel pipes for boiler re-heater	Shahid Rajae Power Generation Management Co.

# Reference List for Executed Projects

77	2010	Supply and manufacture of panels. Assembly and dismantling of water wall tubes ( Bandar Abbas )	Hormozgan Regional Electricity Company
78	2010	bearing No. 6 of main gearbox reconstruction (Unit G11)	Sistan Balouchestan Power Generation Management Co.
79	2010	replacement of boiler super heater tubes ( Unit 4 )	shahid Montazeri Power Generation Management Co.
80	2010	boiler overhaul ( Unit 4 of steam turbine )	Shahid Rajae Power Generation Management Co.
81	2010	replacement of tube sheet and air heater tubes belong to Unit 1	Zarand Power Generation Management Co.
82	2009	overhaul of boiler and accessories ( unit 3 of Steam Turbine )	Shahid Rajae Power Generation Management Co.
83	2009	supply of spare parts for GEF5 ( 12 items )	Sistan and Baloochestan regional electricity company
84	2009	duct and expansion joints overhaul ( unit 3 of steam turbine )	Shahid Rajae Power Generation Management Co.
85	2009	chimney lining overhaul of inner wall of unit 3 ( steam turbine )	Shahid Rajae Power Generation Management Co.
86	2009	steam turbine overhaul	Zarand Power Generation Management Co.
87	2009	overhaul of boiler and accessories ( unit 1 of Steam Trubine )	Shahid Rajae Power Generation Management Co.
88	2009	overhaul of boiler and accessories ( unit 2 of Steam Trubine )	Shahid Rajae Power Generation Management Co.
89	2009	overhaul of boiler and accessories ( unit 4 of Steam Trubine )	Shahid Rajae Power Generation Management Co.
90	2009	supply of thermocouple cables	Sistan Balouchestan Power Generation Management Co.
91	2009	supply of seal and pin for GEF5	Sistan Balouchestan Power Generation Management Co.
92	2009	supply of fuel nozzle for GEF9	Azərbayjan Regional Electricity Company
93	2009	supply of fuel pump ( Roper Type )	Sistan Balouchestan Power Generation Management Co.
94	2009	supply of Transition Piece for GEF5	Sistan Balouchestan Power Generation Management Co.
95	2009	supply of first and second stage blades for GEF5	Sistan Balouchestan Power Generation Management Co.
96	2009	supply of first and second stage nozzles for GEF5	Sistan and Baloochestan regional electricity company
97	2009	supply of Exhaust thermocouple ( type K ) for GEF5	Sistan Balouchestan Power Generation Management Co.
98	2009	supply of fuel injector and electronic boards for GEF5	Sistan and Baloochestan regional electricity company
99	2009	V93.2 turbine and generator overhaul ( Yazd combined cycle power plant )	Yazd regional electricity company
100	2008	supply, construct and replacement of high pressure heater pipes	Zarand Power Generation Management Co.
101	2008	overhaul of GEF5 unit 5	Sistan Balouchestan Power Generation Management Co.

# Reference List for Executed Projects

102	2008	overhaul of GEF5 unit 6	Sistan Balouchestan Power Generation Management Co.
103	2008	supply of bGEF5 blades and nozzles	Sistan Balouchestan Power Generation Management Co.
104	2008	supply of second stage nozzle for GEF9	Khayam Combined Cycle Power Generation Management Co
105	2008	supply of soot blower tubes, DCS parts , Fuel nozzle , pumps and bearings	Sistan Balouchestan Reginal power company
106	2008	supply of spare parts ( seal , gland seal, blade )	Tarasht Power Generation Management Co.
107	2007	designing , manufacturing and replacing of boiler super heater pipes ( 120 MW )	Islam Abad power generation management Co. ( Isfahan )
108	2007	2 generator coolers manufacturing	Zarand Power Generation Management Co.
109	2006	supply of electronic board	Shahid Rajae Power Generation Management Co.
110	2006	supply of spare parts for GEF5	Iran National Copper Industry Co.
111	2006	supply of spare parts for GEF9	Yazd power generation management Co.
112	2005	manufacturing of generator gearbox bearing for GEF5	Southern Fars Power Generation Management Co.
113	2005	steam unit 1 chimney lining overhaul	Shahid Rajae Power Generation Management Co.
114	2005	electro motors and pumps overhaul ( Unit 1 )	Shahid Rajae Power Generation Management Co.
115	2005	supply of electronic board and sensor	south west power generation management Co.
116	2005	supply of thermocouples for GEF5	Sistan Balouchestan Power Generation Management Co.
117	2005	supply of O-ring	Tabriz Power Plant
118	2005	supply of spare parts for Gas turbine	Sistan Balouchestan Power Generation Management Co.
119	2005	supply of fuel nozzle for GEF5	Sistan Balouchestan Power Generation Management Co.
120	2004	steam turbine exciter bearing manufacturing	Zarand Power Generation Management Co.
121	2004	manufacturing of a part of turban control system	Sistan Balouchestan Power Generation Management Co.
122	2004	fault detection of GEF5 rotor vibration (steam unit 4 )	Sistan Balouchestan Power Generation Management Co.
123	2004	replacing condenser chiller pipe	Zarand Power Generation Management Co.
124	2004	steam unit 4 chimney lining overhaul	Shahid Rajae Power Generation Management Co.
125	2004	supply of 5 fuel meters	Sistan Balouchestan Power Generation Management Co.
126	2004	supply of boiler tubes	Tabriz Power Plant
127	2004	supply of compressor blade	Razi Petrochemical

## Reference List for Executed Projects

128	2004	supply of Gear for Gearbox	Sistan Balouchestan Power Generation Management Co.
129	2004	supply of manual and control valve	Sistan Balouchestan Power Generation Management Co.
130	2004	boiler tubes replacement ( super heater , re-heat, water wall )	Tabriz Power Plant
131	2003	House filter and reservoirs overhaul ( reconstruction )	Sistan Balouchestan Power Generation Management Co.
132	2003	unit 2 trouble detection	Sistan Balouchestan Power Generation Management Co.
133	2003	manufacturer and overhaul of two butterfly valves ( 60 inch ) of chiller	Zarand Power Generation Management Co.
134	2003	steam turbine bearing reconstruction ( overhaul )	Sistan Balouchestan Power Generation Management Co.
135	2003	manufacturing of boiler soot blower parts	Sistan Balouchestan Power Generation Management Co.
136	2003	carbon steel pipe and sheets manufacturing	Sistan Balouchestan Power Generation Management Co.
137	2003	fuel meter and pumps manufacturing	Yazd regional electricity company
